Hang up on Medicare scams

- Medicare will **never** call you to sell you anything or come to your home.
- Plans **cannot** call you unless you are a member or said yes first.
- Never give your Medicare, Social Security or bank number to a caller you did not expect.
- Medicare does **not** give out “flex cards.” You never pay for a Medicare card.
- Caller ID can be faked. Unsure? Hang up and call 1-800-MEDICARE yourself.
- Report scams: Senior Medicare Patrol **1-877-808-2468**
